Microscop metalurgic OLF-1

Producator: Kern & Sohn - Germania Sistem optic: Plan acromatic Tub: Binocular Unghi tub: 45° Lumina: 3W LED (reflectand) Tip de iluminare reflectat: LED Tip de iluminare transmis: Nu Obiectiv: 10x /20x /40x Dimensiuni ambalare: 437 mm x 268 mm x 522 mm Greutate bruta: 8 kg Greutate neta: 7 kg

Descriere

The KERN OLF-1 is a stable inverse metallurgical microscope which is very easy to use

It is suitable for all common routine applications in training companies or workshops and produces excellent images

You can choose between mono or binocular versions with different eyepieces

As standard, these microscopes are fitted with planachromatic lenses

A revolving unit for up to 4 lenses and a large specimen stage are also included with delivery as standard

The following optional accessory items are available: LWD lenses for a large working distance as well as various stage inserts etc.

A powerful 3W LED light is available to provide the lighting

A central feature of this adaptable, robust microscope range is the stable mechanism which can be adjusted precisely. This is emphasized by the functional and ergonomic design

Please refer to the individual brochure in the download area to see which accessories would be included with the delivery as standard

KERN OLF este un microscop metalurgic invers stabil, fiind foarte usor de utilizat.

Este potrivit pentru aplicatii de rutina comune in companii de formare sau ateliere de lucru, producand imagini excelente.

Se poate alege intre versiunea mono sau binocular cu diferite piese optice.

Ca etalon, aceste microscoape sunt dotate cu lentile plan acromatice. O unitate rotativa de pana la 4 lentile, o platforma mare sunt deasemenea prevazute ca standarde.

Urmatoarele accesorii optionale sunt disponibile: obiective LWD pentru timpul mare de lucru. UN LED cu putere de 3W este disponibil ca sursa de lumina.

Una dintre caracteristicile principale din aceasta serie variabila si simultan robusta a microscoapelor este mecanismul stabil si precis reglabil. Acesta este accentuat de un design functional si ergonomic.

Model disponibil:

Item number	Optical system	Tube	Illumination
