Stand testare forte cu motor precis pana la 50 KN

Stand TVS - testare forte cu motorizare precisa pana la 50 KN destinat pt masurare prin tensionare cat si compresie Producator: Kern

Descriere

- Premium test bench with step motor for precise testing up to 50 KN
- Motorised test stand for tension an compression tests
- Premium operating panel
- Digital speed display
- Digital repeat function
- Control of the test bench using SAUTER AFH PC software[/]
- New: Step motor for greatest ease of use
- for constant speed from the smallest to the maximum load
- allows testing at minimum speed and full load
- for higher positioning accuracy. Precise starting and stopping, without run-on, even at high speeds
- precise adjustment of the process speed using the information shown on the display[/]
- Maximum travel ensured by electronic end switch
- Large working area through long guide columns as standard, which allows a wide range of fixing options
- SAUTER LA length measuring device as standard, to read the measurement range with a readout of 0,01 mm
- Installation options of all clamps up to 2 kN
