Personal scale **KERN MPC**

Professional personal scale – approved as a medical device and with EC type approval class III
for professional use in medical diagnostics

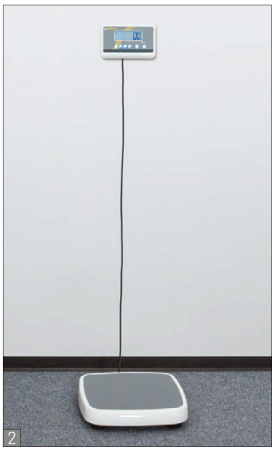

Your KERN specialist dealer:

MEDICAL SCALES 2014

APPROVED MEDICAL DEVICE

Personal scale **KERN MPC**

Features

- Verification class III (verification is optional)
- Approved as a medical device according to 93/42/EEC
- 1 The bestseller for doctor's surgeries, chemists and hospitals
- Robust design for daily use in a professional environment
- Ergonomically optimised design
- For easy and hygienic cleaning
- Secure and non-slip positioning with height-adjustable rubber feet. Level indicator to level the balance precisely
- 2 Flexible positioning of display device, e. g. free-standing or mounted to the wall. Wall mount for display device standard
- 3 Large platform with non-slip and wear-resistant surface for a secure footing
- High resolution readout: Readout [d] for 5 sec. increased by one decimal place at the touch of a key
- BMI function to determine normal weight/surplus weight
- Vibration-free weighing: Vibrations are filtered out so that a stable weight is obtained, ideal for restless patients
- Data hold function: When the weighing value remains unchanged the weight indicated on the display is automatically „frozen" for 10 sec. until the HOLD key is pressed. This leaves suffcient time to read the weight in peace
- Mother and child function: the mother's weight will be taken and then the scale will be reset to zero at the push of a button. Then the mother and baby can be weighed together. The weight of the child will now be shown on the display. This is particularly good for infants, as this way they can be cradled, safe and sound, in the arms of their mother while being weighed

Technical data

- Backlit LCD display, digit height 25 mm
- Dimensions of weighing plate WxDxH 365x360x80 mm
- Dimensions of display device WxDxH 200x128x55 mm
- Cable length of display device approx. 150 cm
- Mains adapter (external) included
- Net weight approx. 10 kg

Accessories

- Rechargable battery pack internal, operating time up to 40 h without backlight, charging time approx. 12 h, **KERN MBC-A03**

STANDARD: CAL EXT | MOVE | 230 V | 1 DAY | 2 YEARS WARRANTY

OPTION: ACCU | DKD +3 DAYS
